Safe-N-Secure™

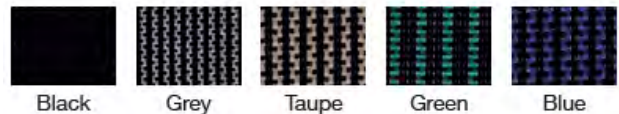

Quality Safety Cover System

Quality materials and a wide color selection

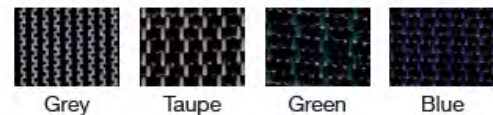

“Premier” Mesh 18 year Warranty 2 years full

- Blocks 93% or more of the sunlight inhibiting algae growth.
- The Safe-N-Secure “Standard” mesh cover allows water to seep through, avoiding the danger posed by standing water.
- Burst Strength 500 PSI

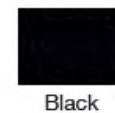

“Deluxe” Mesh 20 year Warranty 3 years full

- Blocks up to 98% sunlight which inhibits algae growth. Deluxe mesh makes it twice as durable as the
- “Standard Mesh” but with the same features.
- Burst Strength 670 PSI

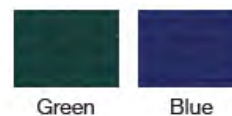

“Commercial” Mesh 30 year Warranty 4 years full

- The highest break strength Safety Cover mesh available.
- Basket weave mesh that stops rips from progressing.
- Burst Strength 760 PSI

“Solid” 15 year Warranty 3 year full

- High-tech copolymer material that eliminates stress cracks.
- Available with a center drain or a mesh strip down the center.

“Solid” Coated PVC 15 year Warranty 2 year full

- 12oz. Tensile 350lbf/370lbf ASTM D751.
- Cold Crack -22 Fahrenheit.
- Available with a center drain or a mesh strip down the center
